Examination rules

- Each group will make an oral presentation on one TP laboratory session of their choice.
- The presentation **duration** will be **strictly 20minutes**. **Each member** of the group **must talk for similar time**.
- A warning will be given after 18 minutes. The presentation will be stopped after 20 minutes.
- Each group must ensure their presentation and multimedia will work beforehand in the exam room.**
- Presentation will be made from your own laptops, if required, bring your own video adapter.**
- Please arrive 10 min before your presentation start time to set up.
- Presentation can be given in French or English.
- The presentation should include a brief review of the measurement techniques used in the TP, the major sources of error, and results obtained during the TP.
- The presentation will be followed by 10 minutes of questions mainly on the presentation; Questions on any other component of the course must also be considered.
- Each member of the group will be awarded an individual mark which counts for up to 40% of their final mark.
